Our Vision

Communities where all children discover and develop skills to live the best life possible.

This past year PRC served 3977 children and 4087 parents in our community workshops, parenting support services and play-based programs.

We make a difference in people's lives every day, no matter where they come from, how they parent, what languages they speak, or what religions they practice.

Programs and Services

For over 4 decades the PRC has evolved to meet the growing needs of Ottawa families. By engaging with children, parents and caregivers, supporting early years' learning and development and connecting families with resources, PRC facilitates lifelong learning and transformation. Our highly skilled PRC staff use relevant, relatable approaches and proven best practices to increase the quality of life for children and their families.
